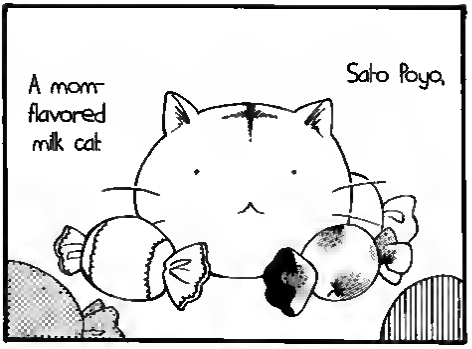
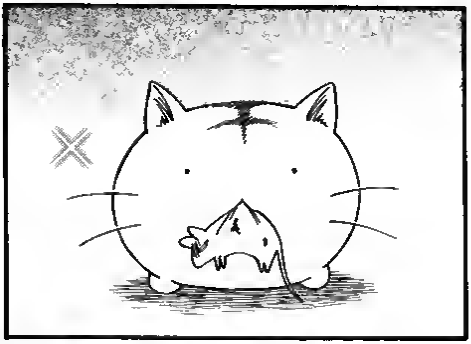
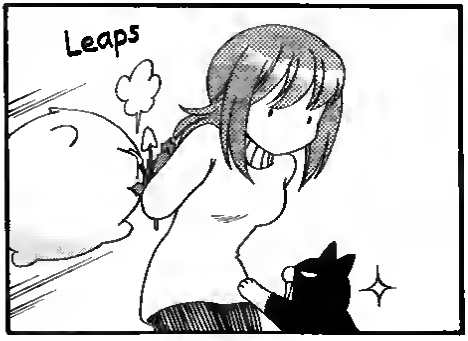
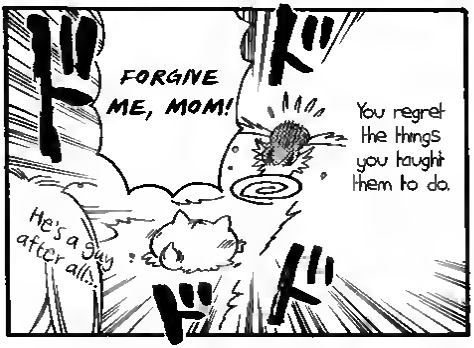
ポヨポヨ観察日記

*T/N: An important day for asians. Not so much for westerners.



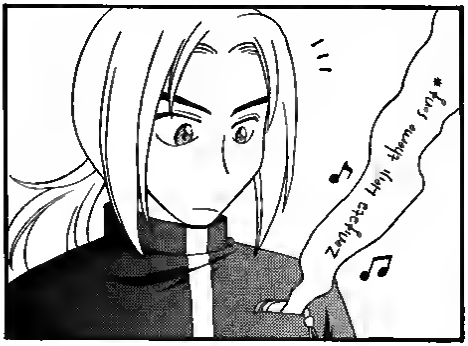


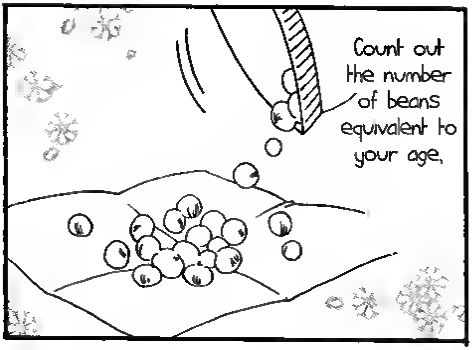


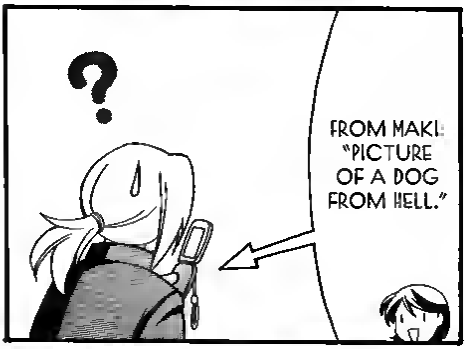


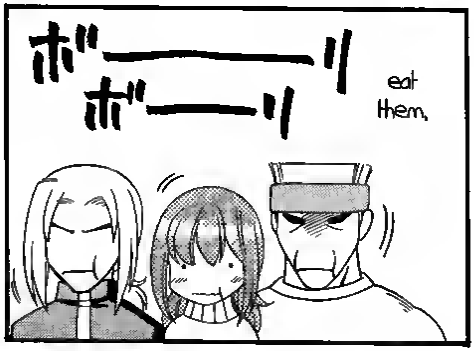
begone!
Evil spirits
New Years decoration?
Because of hungry beings, it was placed two meters above ground
Poyo, move away!
That's what they say.
Holly olive leaves are effective with warding off evil spirits, right?
Evil spirits...
?
?
Difficult to retreat
be-gone!
You're right...
Uhm, pardon me.
Then wouldn't short demons get through?
NYAH-
Poyo, don't go there
NYAH!?
Poyo, we'll be in this room too
How come you run to wherever I scatter the beans at?
NYAAAAAH!
So manly.
But that's not what I meant.
If they're that size, then both you and I will pulverize it!

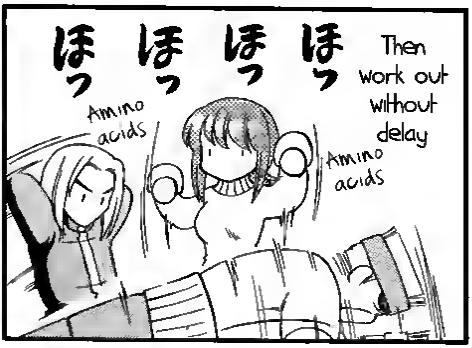
*T/N: A very awesome fictional character.

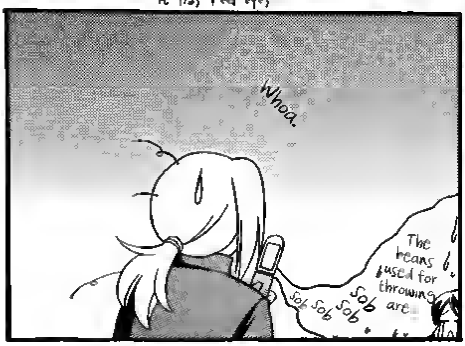


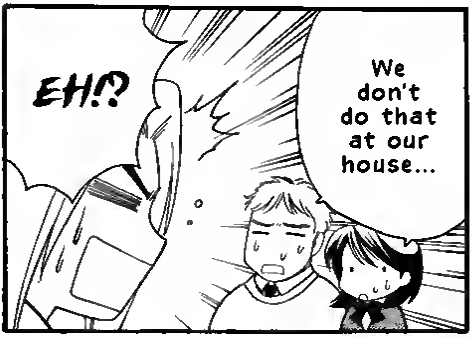












With you here, we won't need to worry at all.
Our household won't ever need to ward off any evils.
Enema Enema

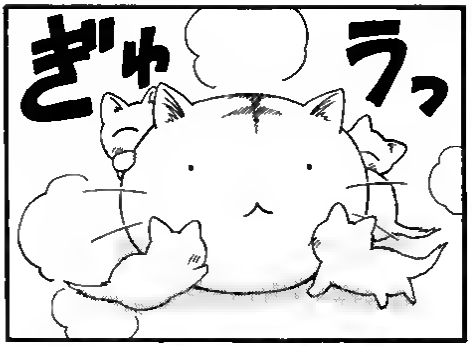
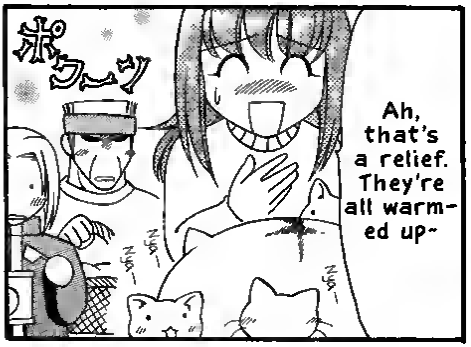
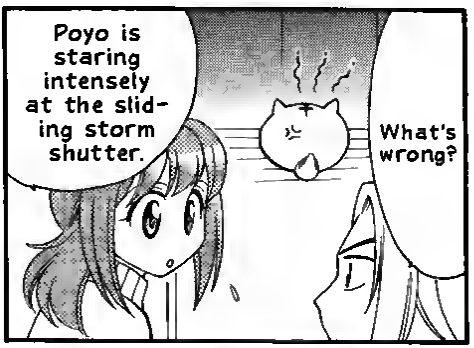
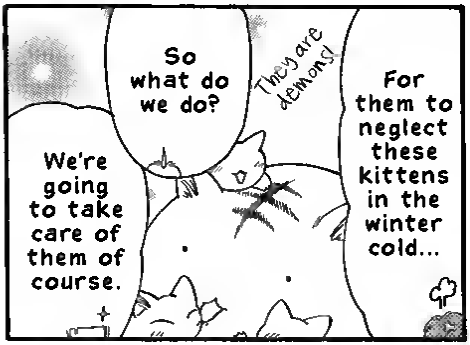
They're all the same...









So what do we do?
They are demons!
For them to neglect these kittens in the winter cold...
We're going to take care of them of course.
